► 1 As requested, I visited the newly-opened Muscles Fitness Centre on several days last week.

□ The purpose of this report is to assess whether the gym should be recommended to your readers.

► 2 Facilities at Muscles Fitness Centre include a large weights room with state-of-the-art equipment, and three air-conditioned aerobics rooms.

(40) □ In addition, the gym has several showers and two changing rooms in which members have their own lockers.

(41) □ There is also a snack bar which serves healthy food and fresh juices.

(42) However, at present the snack bar does not have regular hours and is often closed.

▶ (43) ³ At the moment, the gym offers aerobic classes for three different fitness levels.

(44) A yoga class is being organized and will be offered soon.

(45) Supervised weight training will also be introduced in the near future.

▶ (46) ⁴ Joining Muscles Fitness Centre involves a membership fee of £ 35.

(47) Furthermore, members pay £ 20 monthly, which includes unlimited use of all facilities and is therefore good value for money.

▶ (48) ⁵ Muscles Fitness Centre is open from 7.00 am - 10.00 pm daily, except Sundays and holidays.

(49) These times are obviously convenient for almost all members.

▶ (50) ⁶ In conclusion, I believe that Muscles Fitness Centre offers excellent facilities, a wide range of classes and very reasonable membership fees.

(51) Although not all classes have started yet, the gym is definitely worth recommending to your readers.
